ANNOUNCEMENTS:

A note from the Education Team - As this school year comes to a close, the Education Team is looking ahead to the next and the many volunteer opportunities that will be available. We ask that you prayerfully consider how you may be able to serve our youth in the coming year. More details about specific needs will be shared in the near future.

Just as it is important to Biblically educate the youth in our congregation, it is also important to educate the adults. The Education Team would like to thank those who have led and are leading adult Bible studies. We would also like to invite anyone who is interested in leading one to reach out to us. We can make sure you don't overlap with another study being offered or scheduled to begin, and we can help you with any planning details or questions you may have.

Prayer Resource Materials- If you have borrowed books from the Prayer Resource Table, please return them to the library book-return box when you are finished with them. If you would like to contribute new material to the Prayer Resource Table, please contact a member of the Prayer Ministry Team.
